

Softgum

(Art. No. 710)

Product information

Form

- Rubber block, in translucent-brown

Size

- 50 x 40 x 20 mm (*in stock*)

Packaging

- 420 pieces bulk packed in a carton (*in stock*)
- 18,5kg/carton

Instruction for use

The soft gum is suitable for cleaning soft and sensitive suede and buckskin leather.

Rub off dirt and salt rings with the corner or edge of the gum. For persistent spots one should repeatedly and forcefully rub the place in question with an edge of the soft gum.

You cannot damage the leather with this soft gum product.

The rubbed off material is then best removed with a brush.

Suitable for:

- velour leather
- buckskin leather
- nubuck leather
- suede leather
